

## *Thanksgiving Update*

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday; our facility will be serving a traditional Thanksgiving meal to all residents.

At this time, we can only allow essential caregiver visits at the facility but encourage you to reach out to your loved ones through phone calls and Facetime.

As a reminder, our total number of cases to date are as follows: 28 residents and 20 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Corinth Rehabilitation, I wish you a happy and safe Thanksgiving.

Sincerely,

*Jane Balderas*
