

WEEKLY UPDATE

June 23, 2020

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Corinth Rehabilitation Suites on the Parkway has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working very hard to make sure they are safe, we also want to make sure they are having some fun! Our Activity Director has made adjustments to allow for Social Distancing, which means Bingo, Arts and Crafts including Rock Painting, and many other activities are conducted multiple times each week so that all who are interested may still participate. Additionally, more one-on-one visits are being made to ensure socialization occurs.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 940.270.3400.

Sincerely,

Jane Balderas, LNFA
Administrator
